

Can You Feel The Love Tonight?

There's a calm sur - ren - der to the rush of day When the heat of the rolling world can be turned a-way.
There's a time for every one If they on ly learn That the twis ting ka lei do scope moves us all in turn

An en - chan - ted mo - ment, and it sees me through. It's e - nough for this rest - less warri or, just to be with you. And
There's a rhyme and rea son To be wild outdoors When the heat of this crossed eyed voya ger beats in time with yours

can you feel the love to-night? It is where where we are. It's enough for this wide-eyed wanderer

that we got this far. And can you feel the love to-night? How it's laid - to rest

It's enough to make kings and vag-a-bonds be - lieve the ver - y best - t.
